Sunday, June 30th is our second fly-out. We will meet at Valley Flight Center on El Monte Airport at around 9:30 am. Take off from El Monte at 10:30 am and arrive at Kern Valley (L05) around 12:00 noon. If you base on other airport and want to go direct to Kern Valley please be at Kern Valley around noon and meet us at the coffee shop.

Eric Lai from Aim High Aviation is offering special rates on their Pipers for our fly-out. Piper trainers are on a special rate of \$40 per hour "wet" (fuel included). Instructors are on a special rate of \$20 per hour. Please call Aim High at (909) 596-1088 for reservation.

Non-pilots, student pilots, and those of you that are not current, here is a way you can have a good time flying with Aim High's special offer: Think about this, you with an instructor can take two passengers for a total of \$60 an hour (total flight time is about 2 hours, around \$120 for the whole trip, or \$40 per person). Here is another idea: 2 student pilots can share a Piper and an instructor, each can log 1 hour of cross country time (\$60 per person).

Next lunch is on July 2nd 12:00 noon and it will be at the Nice Cafe in San Gabriel. Their address is 250 W. Valley Blvd., San Gabriel, phone number (818) 289-6111. Nice Cafe is Hong Kong style western food.

Call your FBO and reserve your airplane today and I will see you in Kern Valley on June 30.
