To all CAAC Members:

On \_\_\_\_\_, a meeting was held at Aim High Aviation, Pomona. The following issues were discussed:

1. Chinese American Aviation Club was formally established. The purpose of CAAC is to sponsor activities and written communications that will enable members to become more familiar with one another. Therefore, the membership of CAAC is open to everyone who is interested in aviation.
2. Currently, CAAC has 24 members and will discuss drawing guidelines in later meetings.
3. To cover the expense of newsletter postage,... etc., a \$20 membership fee was passed.
4. Finally, Ranall Wang was elected President and Robin Hou was elected Vice President for 1996-1997.
